

INTERNATIONAL COURT IS HIT BY BEVERIDGE

Former Senator Says Foreign Propaganda Greatest Danger

BOSTON, June 18.—America would still be a part of the British empire had the matters seemingly in dispute between Great Britain and her American colonies been submitted to an international court, former Senator Albert J. Beveridge said in an address tonight at the Bunker Hill Day banquet of general officers, sons of the revolution.

As a mere matter of then existing law, he added, nearly every point must and would have been decided against America and even as a matter of equity we would have been held in the wrong on important issues for instance, the British government having defended the colonies against the French it was only fair that the colonies should bear their just part of the expenses.

"If anybody denies that an international court must and would have decided against us in the beginning, can anybody doubt that such a tribunal, or any form of peace league must and would have held us to be wrong when we scorned the British advances in 1778?" Mr. Beveridge asked.

He said that the founding of a separate and absolutely independent nation was not the end really fought for, then after 1778 the British had solid ground for their bitter denunciation of Washington and American patriots for continuing the war. Any international court must and would have decided against us and if any association of nations for the maintenance of peace had then existed, it would have been bound to support the British and suppress the Americans.

"Today all the ancient international devices that ever have been advanced—and every one of them has been urged many times in the past—are once more put forward as they were something new."

"Without discussing the merits of these age-old plans and this basic fact may be pointed out, everyone of them has as its object, purpose, and if successful its admitted effect, the maintenance of the status quo of the world."

"So in passing upon any or all of these schemes let us have clearly in mind that the simple issue is whether the American nation wishes to pledge itself to help keep all European and Asiatic boundaries and arrangements as they are."

Warning against foreign propaganda, which he described America's greatest danger Mr. Beveridge said:

"It operates thru society, the pulpit, the stage, the screen, the lecture platform and some make so bold as to say that even the American press has been invaded."

Alton Brakeman is knocked from train

Jacob Tendick receives painful injury in back of head when he is knocked from train Tuesday morning.

Jacob Tendick a brakeman on the Chicago & Alton railroad received a bad cut in the back of the head and other bruises when he was knocked from the top of a south bound stock train near Berdan about 12:30 o'clock this Tuesday morning. It is not known how the accident occurred.

The injured man was placed on a special train and rushed to Passavant hospital in this city where he received surgical attention. It is not thought his injuries are serious.

WAITING TO GIVE STATE'S ATTORNEY VITAL EVIDENCE

Traveling Salesman Coming to Chicago on Mount Case

(By The Associated Press)
CLIFTON, Ariz., June 18.—Information bearing upon the mysterious disappearance more than a year ago of Leighton Mount, Northwestern university student, which is much more "vital" than any he has made public is being held back by B. H. Row, San Francisco traveling man, he declared here tonight. Row claims to have seen a group of 10 to 15 students lowering a body into an Evanston pier on the night Mount disappeared.

The more important part of his story will not be told until the arrival of Charles H. Wharton, assistant state's attorney from Chicago according to Row. The officer left Chicago Saturday night after Row had talked with the state's attorney's office over long distance telephone and is expected to arrive here tomorrow.

According to Row's story he changed to be on the Evanston pier at the time and says he saw a group of men lower a body into the pier.

"It was my impression at that time that it was a hazing stunt," Row said. "This occurred at midnight."

Row declined tonight to make any definite statement concerning the nature of the information he is holding back. He admits however, that he believes he can identify one or more men in the group on the pier.

POLICY OF ECONOMY WITH EFFICIENCY TO BE FURTHER PUSHED

Warns Officials About Reckless Spending of Money

(By The Associated Press)
WASHINGTON, June 18.—Confident that the government will finish the twelve month period ending June 30 with a surplus of \$200,000,000, President Harding told government officials at a "business" meeting today that he expected greater economies to be effected during the next fiscal year. The policy of "economy with efficiency," he asserted, must be pressed further for the benefit of the taxpayers.

The executive taking official notice of reported attempts by some officials to influence congress to grant larger appropriations than had been recommended by the budget bureau he warned against repetition of such activities. Departing from his prepared address and shaking his finger emphatically at his audience, he announced he was ready to give consideration to recommendations for the discharge of officials who urged congressional committees to go beyond the budget figures in appropriations.

"I do not hesitate to say," Mr. Harding declared, "that a repetition of the acts of any government officer before congressional committees in urging appropriations in excess of the budget's recommendation will be regarded as sufficient reason to cause the giving of consideration to the severance of such officials from the government service."

THREE DEATHS FROM HEAT IN CHICAGO

(By The Associated Press)

CHICAGO, June 18.—Three deaths are said to have been superinduced in Chicago by the day's heat wave. D. A. Kitch, a salesman dropped dead in a downtown office building, Charles Carlson died in the rear yard of his home and William R. Ryan dropped dead in his home.

Little relief from the exceptionally high temperature was held out by the weather bureau, which said continued warm weather can be expected for next few days.

THREATENED STRIKE
HELD IN ABEYANCE
Denver, Colo., June 18.—A threatened strike of nearly 5,000 shop crafts workers on the Denver & Rio Grande Western and the Rio Grande Southern was held in abeyance today by union officials at the request of Gov. W. E. Sweet who interceded and who is about to offer a plan for the settlement of the controversy between the road and union employees.

The strike, which was to begin tomorrow morning at 10 o'clock has been indefinitely postponed.

GOVERNMENT IS GRANTED INJUNCTION
Chicago, June 18.—(By The A. P.)—The United States government today was granted an injunction against the sanitary district of Chicago, restraining the district from taking more than 146 cubic feet per second from Lake Michigan thru the Chicago Drainage Canal.

The injunction granted by Judge George A. Carpenter in federal court will not become effective for six months to allow the district time in which to appeal to the United States supreme court.

AMERICANS ARE HELD BY SOVIETS
Nome, Alaska, June 18.—(By The A. P.)—The American trading schooners Silver Wave, Lakum and Belinda are detained at East Cape, Siberia, and their crews are under arrest on charges of violating trading laws of the soviet government of Russia. It was learned here today.

NEW HIGH RECORD REACHED BY MARK IN BERLIN MONDAY

Sold By Unofficial Dealers for 165,500 to the Dollar

(By The Associated Press)
BERLIN, June 18.—Berlin was buzzing tonight with talk of impending outlaw strikes after the mark had suffered a collapse, which once during the day saw it selling at 160,500 to the dollar among unofficial dealers.

There was scarcely a household in the city tonight where the question was not raised as to how far the German unit can or will fall. One newspaper answers the question with the simple statement. In Russia the dollar brings 100,000,000 soviet rubles.

The new wage of impression has intensified the feeling of unrest among the laborers who have become accustomed to repeated increases in retail price which virtually keep pace with the exchange rate while wages followed heartily. The trade unions already have inaugurated means to help the industrial situation.

It is said that trade union funds are so reduced by the collapse of the mark that organization could not in any case finance legitimate strikes for any length of time.

Both labor leaders and government officials are searching for some stable measure upon which wages can be based. Labor is said to be divided into two groups one seeks a straight gold basis while the other favors the use of some other standard to estimate by such as the price of some essential commodity believing that the adoption of a gold standard will be impracticable unless simultaneously in all channels of the nation's life.

Some quarters regard the rumblings of outlaw strikes as one of the causes of the mark's new slump, others continue to attribute it to Germany's political prospects abroad and the heavy demand among German industrialists for foreign currencies.

Yorwaerts declares that the slump was due largely to the considerable quantities of German currency dumped on the market today for the account of Knauth, Nachod and Kuhne, the New York firm, which recently went into bankruptcy and which had to close relations with some German concerns. The drop in exchange was met with a quick reflex in the stock market where shares soared unusually.

The dollar officially was 147.630 to 148.370 as compared with Saturday's 114.712 to 115.288. Late in the afternoon the dollar reached 160,500 unofficially. The rumor was circulated on the course for a time today that hereafter the mark would not be given official quotation in New York.

MINNESOTA STATE PRIMARY RESULTS

(By The Associated Press)

ST. PAUL, Minn., June 18.—Gov. J. A. O. Proun and Oscar Hallam, former state supreme court justice at 11 p. m., tonight were racing for the Republican senatorial nomination when returns from today's primary had been received from 300 of Minnesota's 4,520 precincts. Magnus Johnson had taken the lead in the Farmer-Labor contest over Dr. L. A. Fritzsche, with Former Congressman C. A. Lendberg trailing. State Senator James Carley won the Democratic nomination by an overwhelming margin over Francis C. Cary in Minneapolis.

Arthur Howells, son of Rev. A. P. Howells of the Baptist church, who graduated from Illinois college with the class of 1923 has been engaged as teacher of science in the high school at Jov, Illinois.

During the summer months he will fill the pulpit at Clark's Chapel, having occupied that pulpit last Sunday. Eventually he plans to prepare himself as medical missionary for foreign fields.

R. E. HARMON HERE TO VISIT RELATIVES
R. E. Harmon arrived in the city Sunday night to spend the summer. Coach Harmon has just closed a very successful season as director of athletics at Quincy college, Quincy, Ill. He has been engaged to coach at Quincy college next year.

MRS. HORACE SWAIN VISITING MOTHER
Mrs. Horace R. Swain, arrived in the city last night to spend a few days visiting at the home of her mother, Mrs. U. G. Woodman, in West State street. Mr. Swain will come to Jacksonville next week for a short stay.

Germany's Latest Protest Is Filed

(By The Associated Press)
WASHINGTON, June 18.—Germany's latest protest against French terrorism in the Ruhr Valley a copy of which was delivered to the state department today, serves notice that the French government alone will be responsible for any consequences that may develop. The German government says the note has repeatedly proposed that unaccounted incidents should be investigated by international commissions. The French government however has failed to reply to all such suggestions. Against such attitude and against the incessant French policy of terrorism the German government announces to the world that the responsibility for any consequences rests alone with the French government.

The communication was addressed to Secretary Hughes and was signed by Dr. Otto Wiedfeldt, the German ambassador here. It was indicated at the state department however, that officials regarded it as having been presented only for the information of the American government and not with a view to any intermediary action.

In addition to voicing a general protest against the French methods of administration the note cited these specific instances of alleged wrongs against the German residents of the occupied district:

On May 2 the merchant Schlager on account of alleged acts of sabotage was shot in execution of a sentence rendered by the French military court altho the French government urgently had been requested to desist from rendering the situation more acute by carrying out this sentence of the court.

On June 10, the unaccounted for death of two French soldiers was taken as a reason for capturing on the street, severely maltreating and finally shooting to death without any kind of judicial procedure six Germans by a French patrol. As shown by the annexed record of the sworn statement of witnesses it was from the outset without question that these Germans had nothing whatever to do with the death of the two French soldiers.

On June 11, Carl Moeller, 19 years old was shot by French soldiers at Recklinghausen.

On June 13, a French military court at Mayence sentenced to death one Georges, teacher of agriculture on account of alleged acts of sabotage.

Attempts to weaken the authority of the management and to control the working force in violation of contracts. Opposition to the introduction of labor saving machinery. Various sympathetic strikes. Two briefs dealt with mining machinery differentials in Illinois. They pointed out that the differential made between machine and pick mines was only seven cents as contrasted with much higher differentials in other states.

They contended that as a consequence mining costs have increased considerably and the Illinois operators have suffered greatly in competition with operators of other states.

The fourth brief declares it was desirable that specially trained men should be provided to undercut and drill the coal, place explosives and fire the charge. In this way it was contended "the cost of producing coal can be greatly reduced and the safety of the miners can be promoted."

In the fifth brief it was declared that more economical distribution of coal to the northwest could be made by rail from the Illinois fields than by rail and water shipment via the Great Lakes. The brief which was a statement filed with the commission by the Northwestern Dock Operators' association said also that "the only way in which coal can be stored economically is by storage at the point of consumption," that "intermediate storage, such as is involved in rail and water shipment results in serious deterioration in the coal shipped," and that in consequence such storage is limited in its desirability.

C. OF C. MEMBERSHIP CAMPAIGN UNDER WAY

Recruit Committee Held Meeting Monday—Thoro Discussion of Plans.

ILLINOIS COAL OPERATORS FILE BRIEFS MONDAY

State There is No Collective Bargaining with Miners

(By The Associated Press)
WASHINGTON, June 18.—Illinois coal operators in briefs filed today with the federal coal commission declared that in that state "any real collective bargaining" with the miners' union had ceased. It also was charged that there was a "complete monopoly of coal mine labor, controlled by a small, centralized body of union officials which is entirely irresponsible in a legal sense," and that as a result the coal industry in Illinois has been placed "on a highly unstable basis."

Five briefs were submitted, after which a committee headed by Rice Miller, president of the Illinois Coal Operators' association, conferred with the commission.

One of the briefs said that during the past 25 years Illinois mines had been idle as a result of strikes called by the miners union eight per cent of the time and that "interferences with production due to strikes are even now on the increase."

The brief listed as some of the causes of the strikes:

Attempts to weaken the authority of the management and to control the working force in violation of contracts. Opposition to the introduction of labor saving machinery. Various sympathetic strikes. Two briefs dealt with mining machinery differentials in Illinois. They pointed out that the differential made between machine and pick mines was only seven cents as contrasted with much higher differentials in other states.

They contended that as a consequence mining costs have increased considerably and the Illinois operators have suffered greatly in competition with operators of other states.

The fourth brief declares it was desirable that specially trained men should be provided to undercut and drill the coal, place explosives and fire the charge. In this way it was contended "the cost of producing coal can be greatly reduced and the safety of the miners can be promoted."

JURY NOW HAS BROKER'S CASE

(By The Associated Press)

CHICAGO, June 18.—The jury in the case of Fred Kriebel and Henry Pommerly, officials of the bankrupt Chicago brokerage house of Kriebel & Co., who are charged with having used the mails with intent to defraud was instructed today by Judge James H. Wilkerson, of the United States District Court.

Attorneys for the defense declared in their closing arguments that but three witnesses of the 49 placed on the stand by the government used Pommerly's name. They further asserted that no evidence had been introduced, connecting Pommerly with Kriebel, that Pommerly had only acted as the New York agent for the Chicago firm.

Assistant United States District Attorney Harry F. Hanlon in his closing argument declared "that the moment the banker or professional man receives money knowing he is insolvent he becomes a criminal. He charged that the firm was insolvent as early as Jan. 1, 1920, but that it continued to do business."

BOY SUFFERS SKULL FRACTURE
Last Saturday evening about 5:30 o'clock while little Harold Leon Meyer five year old son of Mr. and Mrs. Edward Meyer of 619 East State street was attempting to climb to the top of a box car on the railroad track his hold slipped and he fell to the ground injuring his head and shoulder.

He was rushed to Passavant hospital and an X-ray picture showed that his skull was slightly fractured and his collar bone was also broken. Although he is in a very serious condition, strong hopes are entertained for his recovery.

CONDITION SERIOUS

MOUNT ETNA IS IN ACTIVE ERUPTION; INHABITANTS FLEE

Great Rivers of Molten Lava Flow Down Mountain Side

(By The Associated Press)
ROME, June 18.—Mount Etna in violent eruption, is laying waste the surrounding countryside, say dispatches reaching the mainland. Great rivers of molten rock, pouring down the steep sides of the mountain from numerous fissures are overwhelming all before them and the inhabitants are fleeing in despair while crops and homes disappear under the hissing flood.

The main crater of Etna after the fitful displays of the last week suddenly opened up at midnight Sunday with a noise like the firing of a thousand cannon. There were subterranean rumblings, flames shot to the sky and the populations of the little towns about the base of the cone fled to the plains. Five great cracks opened in the northeastern side of the mountain and from these mouths, several kilometers from the old crater, came streams of lava.

Thousands of tons of rocks and ashes were hurled to a height of from thirty to sixty feet from both the old and new craters and the lava streams advancing on a frontage estimated at 5500 yards laid waste the vineyards and forests in their paths and progressed at a speed of a mile and a quarter an hour.

SHOPMAN HURT BY ENGINE GRATING

Frank McKenna Crushed While Working on Locomotive at C. P. & St. L. Shops

Frank McKenna was crushed in the back this (Tuesday) morning about 12:45 o'clock when he was pinching a locomotive into a transfer table. He was under the engine and the crushing was done by a grating on the locomotive.

A physician was called and the sufferer was taken to Our Saviour's hospital where an examination was made. The physician stated that the extent of the injuries would remain unknown until an X-ray photo could be taken. The injuries are confined to the right hip toward the back.

McKenna, who is a middle aged bachelor, resides at 475 East State street. He was originally from Jerseyville, where his mother now lives.

DANVILLE MAN IS SLUGGED AND ROBBED

(By The Associated Press)

PEORIA, Ill., June 18.—A man found early today in a turntable pit at the Santa Fe round house in Pekin, suffering from a fractured skull was identified tonight as Bennett McCuillen, formerly of Danville.

McCuillen said he had been slugged and robbed by thugs and taken to Pekin in an automobile where he was left near the round house. There is said to be slight chance for him to recover.

GATHERING FOR WHEAT CONFERENCE

Chicago, June 18. Representatives of farmers, organizations of the west, south and southwest, were among the first arrivals today to attend the national wheat conference which opens here tomorrow. C. S. Barrett, of Atlanta, Ga., president of the National Farmers' Union, declared that the non-political nature of the conference held out hope that from it might come a plan for the stabilization of wheat growing in America on a sound economic basis.

A big cherry tree on the Douglas Whitlock farm southeast of Murreyville has a great crop this year and the cherries are twice the average size. The tree may be judged by the statement that the trunk at the base measures six feet in circumference. Mr. Meyer of East Morgan street left a sample of the cherries at the Journal office yesterday.

DRASTIC ANTI-MASK MEASURE IS PASSED BY SENATE MONDAY

Directed Against Ku Klux Klan, Gets Extra Majority

(By The Associated Press)
SPRINGFIELD, Ill., June 18.—Receiving the exact number of votes making the constitutional majority, the drastic anti mask bill directed against the Ku Klux Klan was passed by the Illinois senate tonight. The vote was 26 to 1, with two senators voting "present" and about twenty other members absenting themselves from the chamber while the roll was called.

After concurrence in amendment voted by the house the bill will go to Governor Small. It was introduced by Representative Roberts, Republican Chicago, a negro.

Senator Boehm, Democrat, Chicago, voted for the bill but remarked that it would apply to children who masqueraded on Halloween and that therefore it was "nonsense."

Penalties for disturbing the peace, kidnapping, and assault and battery are increased for anyone who so violates the law while robed or hooded to conceal identity.

The five points of the anti-mask bill follow:

Any person hooded, masked or robed to conceal identity who disturbs the peace of any neighborhood may be fined not exceeding \$1,000.

Anyone masked to conceal identity who violates the kidnapping law may be fined not exceeding \$2,000 nor less than \$500 or imprisonment not less than five years nor more than 14 years or both.

Anyone masked to conceal identity who is found guilty of assault with a deadly weapon with intent to harm, where the circumstances show malignancy may be fined from \$500 to \$5,000 or imprisoned from one to ten years or both.

Anyone who with "wicked purpose" appears in public masked to conceal identity may be fined from \$100 to \$1,000 or imprisoned from six months to one year or both.

STRIKE STOPS FUNERAL CORTAGE

CHICAGO, June 18.—A funeral procession was stopped temporarily here today when the driver of the hearse, a member of Local 727 of the teamsters, chauffeurs and stablemen's union was ordered down by the business agent of the union.

The local is on strike for an increase in wages to \$42 a week if they do not wash their cars and \$45 if they do. They are receiving \$35.

More than an hour's delay in the funeral proceedings was caused before another chauffeur was found.

ELEVATED SIDEWALKS
Sidewalks raised above the street level of the business section, to suit a "motorized age," are suggested by the Chicago Tribune. The elevated walks would run along the fronts of the buildings, giving access to all business establishments and affording easy means of crossing the street without getting mixed up with motor and trolley traffic.

The present street surface could be widened, because narrower street-level sidewalks would suffice. Thus all traffic, vehicular and pedestrian, would move for more easily and safely.

"The advantages could not be overestimated," says the Tribune. "Thousands of persons who now shun the Loop because of the congestion would welcome the chance to do business there in the certainty of comfort and safety. The total added income for Loop business should pay the entire cost of the improvement."

Such a development seems inevitable in the larger cities—and perhaps in the smaller cities.

"OIL TRACTS"
Oklahoma is justly proud of its oil production, but the state can hardly be proud of the reputation that is being given by a lot of fake oil men. Here is one of the latest fakes coming to national attention.

A 160-acre farm, situated 10 miles from the nearest oil well, was bought and cut up into 17,424 "oil tracts." Those "tracts," 20 feet square, were offered to the outside public at \$60 apiece. Recently the list price dropped to about \$5, which is said to be a very generous price indeed. Post-office inspectors declare the land practically worthless for either oil or agricultural purposes.

It is another plain warning to the public everywhere not to invest in oil or any kind of mineral or agricultural ventures without obtaining detailed information as to the nature and location of the property and its revenue-producing possibilities. The buyer of broadcast "securities" who "takes a chance" without thorough inquiry finds almost invariably that he has no chance at all.

The states in which such frauds are perpetrated suffer no less than the distant investors, in the bad name they get and their loss of prospective capital and population. They owe it to themselves to make every possible effort to establish safeguards for a business which is, at best, so highly speculative and precarious.

GRAIN CASE ON TRIAL IN CIRCUIT COURT
In the circuit court yesterday before Judge F. W. Burton the trial of Anton K. Bergschneider against the Jacksonville Grain and Commission Co., was begun. In this suit the complainant is seeking to recover \$10,000 which he claims is due him on certain grain transactions with the company.

A session of the court was held last night in the effort to hurry along the hearing. The jury in the case includes Raymond Massey, Sherman Coultas, Austin Cockrell, Charles Thomason, Arthur Rowland, Thomas Quinn, J. A. Volrath, Loyd Alimier, A. W. Jewsbury, John Taylor, John Hunter and Robert Rook.

The complainant in the case is represented by William N. Hargrove of this city and James C. McMath of Chicago, who specializes in cases resulting from board of trade operations. The defendant company has for attorneys Judge H. P. Samuel of Jacksonville and Mr. Childs of Springfield.

SERIOUS CHARGE MADE AGAINST TWO YOUTHS

Jennie Kreitner and Harriet Ranson are Complainants in Action Against Kenneth Pennell and Roy Pike—Men Bound Over to Grand Jury on Statutory Charge.

Two girls Jennie Kreitner age 15 and Harriet Ranson age 12 were attacked about 5:30 o'clock Sunday evening near the old reservoir south of the city pumping plant. The girls were accosted on the public square by Kenneth Pennell and Roy Pike, who according to the girls story forced them to get into a car and drive to the reservoir.

Both youths were arrested and taken Monday morning before Squire C. O. Bayha for a preliminary hearing. The court bound the pair over to await action of the grand jury. Bond was fixed at \$4,000 in each case. The young men are each about twenty years of age.

In fixing the bond, the court stated the seriousness of the offense, saying that in many states the penalty is death. This is considered one of the most serious crimes that has taken place in the city recently. The Kreitner girl was for a time in a serious condition. Both girls according to their story fought the young men and the Ranson girl succeeded in saving herself from a more serious attack.

Harriet Ranson is the daughter of Ed Ranson of South Main street, and Jennie Kreitner resides at the home of C. L. DePew.

Pike and Pennell last night had failed to give bond and were in the county jail. A large delegation of men called on Judge Burton and urged that a special grand jury be called to hear the evidence against the young men.

ANOTHER C. P. & ST. L. CONFERENCE TODAY

Committee Representing Cities Along Line Hopes to Reach Agreement with Stockholders Whereby Road Can Be Operated

John J. Reeve will go to Springfield this morning to be present at a conference relating to affairs of the C. P. & St. L. road. A committee representing the various cities along the line of the road will meet with another committee representing the stockholders in the hope that some satisfactory plan of financing the road may be evolved.

Unless such a plan is worked out and it can be shown Judge Smith of the circuit court that this road is sold to a prospective purchaser which will result in the operation of the road, it is entirely likely that a decree will be entered authorizing the sale of the road in various sections. Such a decree has been prepared by the interests now seeking to bring about the dismemberment and sale of the road. If such a decree is entered it will mean that a certain section including the Peoria terminal, another the East St. Louis terminal and a third including the portion between East St. Louis and the city limits in Jacksonville, together with still other parcels, will be sold separately.

It is very clear that if such a sale occurs that the road will never again be operated as one system.

OUT OF SEASON
Although most of the residents were yesterday complaining of the heat the thought should occur that hot weather probably will not always last. In keeping with the above thought one of the Jacksonville stores yesterday received two large crates of the heaviest of winter overcoats.

EXCELLENT PROGRAM GIVEN AT WOODSON

Children of Two Sunday Schools Combine in Program Sunday Evening—Other Woodson News.

Woodson, June 18.—One of the finest programs ever given in Woodson was that of Sunday morning, when the Presbyterian and Christian Sunday schools combined in a "Children's Day" program at the latter church.

The children took their parts in a way which indicated careful and painstaking training and a great deal of credit for the success of the program is due to those who had charge of the training work. The parents of the children co-operated in a way which aided materially in bringing about success.

Miss Sadie Butler served as pianist throughout the program and thus contributed in no small way to the success of the occasion.

The program is given below:

March—The Schools.

Song.

Lord's Prayer.

Scripture Reading—Rev. A. E. Powell.

Prayer—Dr. G. W. Miller.

Address of Welcome—Elizabeth Owings.

Exercise, "Children's Day"—Primary children.

Song, "A Nice Bouquet"—Class of little girls.

Song, "Do You Know"—William and Frances Evelyn Thompson.

Recitation—George Thompson.

Exercise, "I'm So Glad"—Beginners' class.

Song, "He Loves Me Too"—Sarah Emily Goacher.

Recitation—Walter Virgin.

Sole—Frances Kehl.

Recitation—Ruth Smith.

Exercise—Small Boy's class.

Song—School.

Offering.

Drill—Twenty-four children.

Song—Congregation.

Benediction—Rev. A. E. Powell.

LONG TIME RESIDENT OF COUNTY IS DEAD
William Clegg Passed Away Monday Morning at Home of Brother—Funeral to be held This Afternoon.

The death of William Clegg, a long time resident of Morgan county, came at 9:45 o'clock Monday morning at the home of his brother, J. T. Wild, in Murrayville. The deceased had been in failing health for a year and a half past, and his condition for several days had been such that death was not unexpected.

Mr. Wild had been a resident of the Murrayville community for the past fifty years, being 77 years 10 months and 8 days of age at the time of his death.

Surviving are the following brothers and sisters:

Mrs. Elizabeth Jackson of this city, J. T. Wild, Murrayville, Samuel Wild, Winchester, and two half sisters, Mrs. J. T. Osborne of Murrayville and Mrs. Edward Gallagher of Woodson.

The funeral services will be held at 2 o'clock this afternoon from the M. E. church in Murrayville. Dr. G. W. Miller of Woodson will be in charge of the services, assisted by Rev. W. H. Harms, of Murrayville. Burial will be made in Bethel cemetery, the services there being in charge of the I. O. O. F. lodge, of which the deceased was a member.

CAMP CUSTER OFFERS MANY ADVANTAGES

Col. H. E. Yates Tells of the Splendid Opportunity for Training Which the Camp Affords

Dr. Garm Norbury is in receipt of the following communication with reference to Camp Custer:

Colonel H. E. Yates, 6th Infantry who will command the C. M. T. Camp from August 1st to September 1st, 1923, in an open letter to the young men of Illinois, Wisconsin, their parents and guardians points out the many advantages to young men who will accept the invitation of their Government to attend the training camp without expense to themselves or parents.

Colonel H. E. Yates, states in his letter:

"The younger generation have frequently heard their older brothers tell of experiences in the training camps during the World War. As time goes on, such experiences will become, more and more endeared to them.

"We cannot entirely duplicate those wonderful camps of 1917, but Camp Custer in August of this year will closely approximate them. You may be sure that you will have plenty of experiences of which you in turn will be able to talk. Every young man desires to be a rifle shot. At this camp you will learn the real thing. You will leave with a practical knowledge of shooting which the average man seldom, if ever, possesses.

"Likewise you will learn the use of the machine-gun, and of that new weapon—the automatic rifle, as well as various others. The writer has been over all the arrangements for this camp. They are complete. There will be something interesting going on throughout the entire period. You will have no dull moments here.

"The public does not fully understand the large expense in money and time spent on this camp. Only the Government can afford to do this, and to obtain the services of the necessary skilled personnel. This large effort is made in the belief that attendance at this training camp will make better citizens. The Army has been selected to take charge of these camps, because the Army alone has the necessary experience and trained personnel.

"It is my advice, to all up and coming, alive, young men who live in Illinois, Michigan or Wisconsin, and between the ages of 16 and 24 years, to apply at once for admission to your C. M. T. C. county chairman, or the C. M. T. C. officer, 6th Corps Area, Headquarters, Chicago, Illinois.

"The quota for this camp is 3,800. By getting your application in early you have a better chance of being selected."

CLERGY WANT SPEEDY TRIAL IN ATTACK CASE

Association of Ministers Appoints Rev. Spoonstons to Look into Matter—Committee Will Arrange Schedule of Union Evening Services.

At a meeting of the local Ministerial association held Monday morning, Rev. W. E. Spoonstons was appointed a representative of the association in an effort to secure a speedy execution for justice in the cases of Roy Pike and Kenneth Pennell, who are facing action of the grand jury on serious charges relating to Harriet Ranson and Jennie Kreitner.

The ministers feel that this is one of the most serious crimes that has been committed in the city in recent years. Although they adopted no resolutions on the matter, they are taking a firm stand for a speedy trial and the fixing of penalties fully adequate to the seriousness of the offense if the charges are proven.

The ministers at their meeting appointed a committee, consisting of C. D. Robertson, W. H. Marbach and T. H. Tull, to arrange the schedule of union open air services on the summer evenings. Dr. Spoonstons reported that he had secured the Academy grounds for the holding of the services, which will provide an appropriate setting for the meetings.

The paper of the Book of Job which was to have been given by Rev. F. E. Bracewell, was postponed to a later meeting, on account of the absence of so many of the ministers. Rev. M. L. Pontius presided as chairman, in the absence of Rev. C. E. Stickney.

The committee in charge of arrangements for the union services is also to select speakers and make general plans for the Sunday evening vespers services during chautauqua, and also for one union morning services on the grounds and one at a centrally located church in the city.

ODD FELLOWS HAVE MEMORIAL SERVICES

The annual memorial service for Odd Fellows was held at Central Christian church Sunday morning at 10:45 o'clock and was attended by Illini No. 4, Urania No. 243 I. O. O. F. and Rebekah lodges Nos. 13 and 625, this service being in honor of the members who have passed away during the last year. The sermon was delivered by the Reverend M. L. Pontius whose subject was "Truth." During the ceremonies the names of those passed away during the preceding year was read by T. M. Tomlinson.

The Odd Fellows met at the temple in East State street and the Rebekahs in Odd Fellows hall in West State street and marched to the church in a body.

The Marriage Chance
Love—Laughter—Tears—Thrills—Mystery—Shocks—Surprise

LOVE—Not one but three romances—young, more mature, and middle-aged, all of them interesting because all true, and hence not running smoothly.

LAUGHTER—Rolling, for the most part. Altogether unrestrained at times. Explosively uproarious at others.

TEARS—Warm tears of compassion; hot tears of anguish; cool tears of relief and of happiness.

THRILLS—Hair-raising thrills of daring; breath-taking thrills of suspense; spine-chilling thrills of dread.

MYSTERY—Weirdly absorbing; maddening; fascinating with a creepy sensation; unfathomable.

SHOCKS—Thrills too profound to be called thrills, too sudden, too startling, these will be left for your personal experience, together with

SURPRISE—A dash of this at the right moment—the gratified nutmeg, as it were, to this delectable screen gin fizz; and here's hoping you'll see this picture right from the start so that you'll enjoy the surprise Del Ruth planted there when he compounded this "comedy with a dramatic shock."

MURRAYVILLE GIRL TO BE JUNE BRIDE

Marriage of Miss Clara Millard of Murrayville and Floyd Smith of Durbin to be Solemnized Tomorrow Night.

The marriage of Miss Clara Millard of Murrayville and Mr. Floyd Smith of Durbin will be solemnized at 6 o'clock tomorrow evening at the M. E. church in Murrayville. The impressive ring ceremony will be used, Rev. W. C. Barnes, pastor of the church officiating.

The bride and groom will be attended by Miss Velda Millard, sister of the bride, and Byron Smith, brother of the groom. The ring bearer will be Sarah Millard, sister of the bride. Little Dorcas Mehrhoff, Mildred Rimey, Lloyd Tendick and Robert Paul Carlson will strew flowers in the path-way of the bride.

The bride's gown will be of white Canton crepe and she will carry a shower of bouquet of bride's roses. The bridesmaid will wear blue crepe de chine and her flowers will be pink roses.

Following the ceremony there will be a reception at the home of the bride's parents, Mr. and Mrs. Bert Millard, in Murrayville.

The bride-to-be, as indicated, is a daughter of Mr. and Mrs. Bert Millard of Murrayville. She has taught for several years in the Morgan county schools and is a young woman of attractive personality.

Mr. Smith is a son of Mr. and Mrs. Thomas Smith, well known residents of the Durbin neighborhood. He has for several years been engaged in farming, in which occupation he has been quite successful. The numerous friends of these well known young people will join in extending heartiest congratulations and good wishes.

MRS. G. W. HALL SICK FOR YEARS

Wants Women to Know How She Was Made Well by Lydia E. Pinkham's Vegetable Compound

Lima, Ohio.—"Indeed, your medicine is all you say it is! I had very severe troubles such as women often have, and could do no heavy work. I was sick for several years, and from reading your ads, I finally decided to take Lydia E. Pinkham's Vegetable Compound. I am now doing my own washing, which I haven't done for several years, and can walk long distances without those dragging pains and weak feelings. The Vegetable Compound is fine, and I never forget to say a good word for it to other women when they say they need something."—Mrs. G. W. HALL, 539 Hazel Avenue, Lima, Ohio.

There are many women who find their household duties almost unbearable owing to some weakness or derangement. The trouble may be slight, yet cause such annoying symptoms as dragging pains, weakness and a run-down feeling.

Lydia E. Pinkham's Vegetable Compound is a splendid medicine for such conditions. It has in many cases relieved those symptoms by removing the cause of them. Mrs. Hall's experience is but one of many.

How to throw off that tired, listless feeling

GENERAL—feel tired out, and have pimples and boils. It is so easy to give nature a little help, and the best sure way is to start with S. S. S. Stronger and more useful nerves depend on blood-power. S. S. S. will improve your appetite and give you greater endurance, energy, strength, and a more youthful appearance.

Mr. J. M. Mar, Los Angeles, Calif., writes: "Overwork occasioned a complaint which consisted of a tired feeling and pains in the back, that finally exhausted all my strength. A friend advised me to take S. S. S. and after taking only several bottles I was entirely relieved."

Try it yourself. S. S. S. is sold at all good drug stores. The large size is more economical. Get a bottle today!

PREPARES TO REDEEM BONDS SOLD IN AMERICA

Bublin.—A bill is to be introduced into the Dail this session to carry into effect the pledge made by Michael Collins that the Irish government would redeem all the Irish Republican bonds.
These bonds, to the amount of about \$10,000,000 were floated in the United States, in Ireland and elsewhere, and contain an undertaking that they would be redeemed in Ireland of an Irish Republic. Michael Collins claimed that the treaty, part from its form, effectively established Irish freedom, and that the condition on which the bonds were issued had been practically realized.
Despite the difficult Irish financial position, President Cosgrave, as finance minister, has decided that all the bonds shall be paid off.

FUNERALS

Edwards.
Funeral services for the late Mary L. Edwards, wife of Greenup Edwards, were held at the Youngblood Baptist church at 11 o'clock in charge of the Reverend Roy March of White Hall assisted by the Reverend Hudson of the Youngblood church.
Music was furnished by the choir of the church.
The flowers were cared for by the Misses Mason and the Misses Cox.
Pallbearers were Harry, Russell and Vernon Mason, and Harold, Howard and Olin Steele, with interment in the church cemetery.

Kershaw.
Funeral services in memory of Mrs. Ellen M. Kershaw were held at 3 o'clock Monday afternoon at the family home on East College street. Mrs. Kershaw, who passed away Saturday at the age of 88 years, was one of the oldest residents of Jacksonville.

The services were quite largely attended by long time friends of the deceased. The services were conducted by Rev. M. L. Pontius and Dr. W. E. Spoons, and were simple in accordance with the life and wishes of the deceased.

Dr. Spoons read the 23rd Psalm and appropriate passages of Scripture and offered prayer. Mr. Pontius said that in accordance with the wishes of the family he would speak in a very brief way. He referred to the gentle Christian character of the deceased, her faithfulness and earnestness thru all the long years. Then he told of the great devotion shown by the daughter and son as age came upon the deceased, and said that the home life furnished a wonderful example of gentleness and faithfulness.

There were many beautiful flowers and these were cared for by Miss Libbie Hatfield, Miss Emma Doying, Mrs. Aileen F. Corrington and Miss Grace Van Houten.

Interment was in Jacksonville cemetery, where prayer was offered by Mr. Pontius and the brief committal service read by Dr. Spoons. The bearers were Wm. Batz, W. H. Stull, Grant Graff, George Fuhr, George E. Doying and J. W. Walton.

She is Happy as a School Girl, Says Mrs. Black

Mrs. Effie Black

"I needed something to strengthen my nerves and appetite and to tone up my whole system, and that is just what Tanlac has done for me to perfection," says Mrs. Effie Black, highly esteemed resident of 419 South Hardesty St., Kansas City, Mo.

"For a long time I suffered from indigestion, gas and heartburn, had a very weak appetite, and was burdened with severe headaches and dizzy spells. My nerves were on edge, I was too restless to sleep right, and felt drowsy and worn out all the time. "I was convinced before I ever took Tanlac that it was a meritorious medicine, and now I know from experience that the treatment is just wonderful. My appetite and digestion have been restored perfectly, my sleep is refreshing, and I am as healthy and happy as a schoolgirl. I believe Tanlac will help anyone else who suffers like I did."

Tanlac is for sale by all good druggists. Accept no substitute. 37 million bottles sold.

Where the Sun Sinks Into the Sea

FOR six hundred miles and more, the Oregon-Washington coast overlooks the Pacific Ocean. It is mostly a high and rocky coast of towering cliffs and bold headlands, against which the breakers dash unceasingly.

Along this coast are stretches of sandy beach, some of them only a mile or two long, while others are ten times that length. Back of them are mountains and wooded hills, over and through which trails wind in all directions.

Of these sandy beaches, the most accessible, the most highly developed and the pleasantest, are Seaside and Gearhart, Oregon; and Moclipis, Hoquiam and North Beach, Washington. These are the "Atlantic Cities of the Pacific."

North Pacific Coast
Very low round trip rates are in effect, May 15th to September 30th, to the Pacific Northwest. These—from Jacksonville—give you an idea of how little it will cost you to spend your vacation in the Northern Pacific Country:

ANCHOR VILLA WINS FROM WILDE IN 7TH

Hipino Takes Englishman's Measure in Seventh—Wilde Gives Great Display of Game-ness

POLO GROUNDS, New York, June 18. (By A. P.)—Pancho Villa, fighting dynamo from the Philippines, who was dethroned American flyweight titleholder by a few months ago, rose to world's championship heights tonight when he knocked out Jimmy Wilde, British holder of the crown, in the seventh round of a battle that was spectacular from start to finish despite its one-sidedness. A crowd estimated by the promoters at 40,000 witnessed the second world's title to change hands at the Polo Grounds within few weeks.

Rushing and slashing with a terrific assault that left Wilde reeling and in the first round, Villa's victory was one of the most decisive in the annals of world's championship history.

Wilde was but a shell of the once great boxer who had held undisputed sway among the light men of the ring for years. Only his marvelous gameness and the heart of a master ring man enabled him to last as long as he did. He stood up under the most deadly of attacks for six rounds, bleeding from cuts about his mouth and cheeks and with his right eye virtually closed. Occasionally he took the offensive but his punches were feeble, and failed to shake his opponent. But though his legs sagged at the knees and his body wavered under a devastating attack, Wilde's bull dog courage kept him in the

thick of the fray, bloody and hopeless a picture as he was. It became only a question of how long the titleholder could hang on. At the end of the sixth round Wilde reeled into the arms of his handlers in his corner, all but out and the crowd pleaded with Referee Patsy Haley to stop the fight. But the Welshman, nearly blinded shook his head and staggered to his feet to answer the bell for the seventh.

Sending victory, Villa sprang from his corner like a wildcat. He drove rights and lefts to Wilde's head as the Britisher gave ground still trying to fight back. The Filipino, amazed that his opponent could stand up under such an assault, drew back and then shot over a right cross as Wilde's guard dropped momentarily. The mere atom fell like a log to the canvas and never quivered as he was counted out. Helpless he was carried to his corner and there it took strenuous work for a few minutes to revive him. He was carried to his dressing room where, still dazed and blinded, he was unable even to recognize his wife who rushed to him.

Fight by Rounds

ROUND ONE: They exchanged light swinging lefts to the face. Villa swung hard left and rights to head. Wilde did not seem to mind the blows. Wilde poked straight lefts to the face. Villa swung two rights to the head as the round closed.

ROUND TWO: Villa staggered Wilde with a right to the jaw and savagely attacked the body. Villa hit Wilde at will. The little Filipino was staggering the champion about the ring with blows to the head. Wilde's swings went wild. Villa knocked Wilde to the can-

vass with a swing to the jaw after the bell had sounded and the champion was carried to his corner in a daze.

ROUND THREE: Wilde blinked his eyes and came out ready for fight. The champion's punches lacked steam. He bled at the nose. Villa evaded the champion's blows cleverly. They exchanged hard punches on the body in a neutral corner.

ROUND FOUR: Wilde began slugging with the little Brown boy. Wilde took the offensive. Wilde drove Villa to the ropes in a rush. Villa fought him back with rights and lefts to the body and the champion was staggering again, but he fought gamely. Wilde landed an avalanche of blows on the Filipino's head but Villa never blinked.

ROUND FIVE: Villa landed lefts to the stomach and jaw. They engaged in a heavy exchange to the head. Wilde's sluggishness was leaving him. Wilde's right eye bled. Villa swung heavy rights to the stomach and chin. Wilde landed a stiff right to the jaw as the round ended.

ROUND SIX: The game little Englishman took heavy punishment on the body. A left to the face sent Wilde staggering into a neutral corner. Villa rained blows to the body. Wilde protested against Villa's backhanded blows but the referee said they were fair. Wilde staggered from lefts to the face. His face was covered with blood. He could hardly stand. Villa rained blows to his head. He fell into his stool when the bell sounded.

ROUND SEVEN: Wilde staggered out. He could hardly raise his hands to stem the tide of Villa's blows. He fought back feebly. His right eye was closed. The stubbornness of the Englishman kept Wilde standing.

After taking terrible punishment Wilde, both eyes closed and swollen, dropped his guard. A straight inside right swing to his jaw and he fell flat on his face unconscious. He was carried to his corner and brought to his senses after five minutes of hard work. He was barely able to lift his hand but he smiled when the crowd cheered the announcer's statement that Jimmy Wilde was the gamest loser in pugilism.

LOCAL GOLFERS WIN FROM PROFESSIONALS

Keywood and Wright Defeat Tracy and Lang in Fast Exhibition Match on Municipal Links Sunday

Justice Wright and Jack Keywood won four up from Johnny Lang and Doc Tracy in an exhibition golf match Sunday at Nichols park. Johnny Lang is golf professional at Country club, Robinson, Ill., and Dr. Tracy is professional of the Danville Country club at Danville, Ill.

The sensation of the afternoon was Jack Keywood. He played the first 9 in 37 and the second in 32, with a total of 69. Keywood, who has been off his game for sometime hit his stride Sunday in championship form and put up a wonderful exhibition of golf. Justus Wright has also greatly improved his play and judging from the golf he played yesterday, he will be a strong contender for championship this year.

REDS GET BACK ON WINNING STRIDE

CINCINNATI, O., June 18.—The Reds got back on their winning stride again today defeating Brooklyn, 6 to 3. Dickerman was hit freely after the second inning, four hits and three stolen bases giving the home team four runs in the sixth. Rixey was taken out for a pinch-hitter in the fifth and Keck received credit for the victory.

PITTSBURGH WINS FIRST FROM BOSTON

PITTSBURGH, Pa., June 18.—Pittsburgh won the opening game from Boston today due chiefly to timely hitting by Maranville and Barnhart. Maranville connected safely four times out of five trips to the plate, while Barnhart slammed out a home run in the fifth inning with Carey on base. In the seventh inning he hit a three bagger with the bases filled. The score:

Marquard, Benton, Fillingim and E. Smith; Morrison and Gooch, Mattox.

INDEES MUST FIGHT FOR JOBS

After the exhibition of so-called baseball at South Side Park Sunday afternoon Manager Smith has decided that a shakeup may be necessary.

He has called practice for Tuesday and Thursday evenings at 5:30 o'clock at which time all players must report for practice and show more fight and pep or give way for other players.

Ira Fanning is the selection in the pitcher's box for Sunday's game against the O'Connells of Springfield and Manager Smith is going to try his hardest to annex this game for the good of baseball in Jacksonville.

Take Contest from Athletics in Thrilling Ninth Inning Finish—Single, Triple and Double Spell Victory.

WHITE SOX WIN EXCITING GAME

PHILADELPHIA, June 18.—Chicago and Philadelphia played a thrilling game today that was not decided until the last man was out in the ninth and then the White Sox emerged on top, 6 to 5. The visitors appeared to have the game won up to the end of the eighth when the home team rallied and aided by a home run by Galloway, went into the lead, 5 to 4. With two out in the ninth Thurston singled and Hooper tripled, tying the score. McClellan's double scored Hooper with what proved to be the winning run. PLANO INDIANS SCALP FRANK SMITH'S INDEES

Defeated Locals by Score of 21 to 3—Locals Play Terribly and Then Horribly.

One of the largest crowds of the season gathered at South Side park Sunday to see the Plano Indians scalp Frank Smith's Indees.

The Indians did a thoro job and when the melee was over there was not a hair left on an Indee head. The game started off as the it was going to be a good battle.

In the second the Indians put over two runs with the aid of some bad playing on the part of the locals, a double and a timely single. The locals tied the count in the third on Burkrey's triple. Clark's sacrifice, an error by Marlot and Massinkoff's single. That was all to the Indees until the seventh when DeFrates' triple and French's double scored another.

The Indians got eight runs in the fifth and seven in the sixth on solid hitting and some of the most weird fielding ever seen on a local lot. Two more came in the 7th on three singles and a sacrifice.

The les said about the game the better. Here is the score as near as we could figure it out:

CUBS BUNCH HITS ON BEHAN AND HUBBELL

Batting of O'Farrell Features Game—Makes Three Hits, One a Home Run.

Chicago, June 18.—Chicago bunched hits off Behan and Hubbell driving them off the mound and defeated Philadelphia 9 to 3. The batting of O'Farrell, who cracked out three hits, including a homer, driving in four runs, was a feature. Tierney also batted a homer with a man on. Aldridge pitched a steady game.

JOHNSON DEFEATS CLEVELAND, 4 TO 3

WASHINGTON, June 18.—Johnson outlasted Coveleskie in a thirteen inning duel of veteran pitchers today and Washington took the opening game of the series from Cleveland 4 to 3. The winning run resulted from a triple by Harris and a single by O'Neill who had taken Bluege's place at third after the latter had given way to pinchhitter Garrity in the eighth inning. Johnson struckout nine.

NEW YORK, June 18.—Prices
broke badly today in active ses-
sion of the stock market, the in-
dustrial averages establishing a
new low for the year on a net
loss of two points on the day.
Wall Street was of a decidedly
pessimistic frame of mind this
morning. The street was flooded
with wild rumors questioning the
solvency of several large broker-
age houses but the only basis for
these seemed to lie in the fact
that they had been engaged in
promotions with the bankrupt
firm.

These rumors, combined with
the weakness of several com-
modity prices the cut of 25 cents a
barrel in Pennsylvania crude and
the increase in California produc-
tion, provided the professional
shorts with plenty of ammunition
in prices.

Scores of stocks sank to low
records for the year including
such favorites as United States
Steel common at 92 1/2.

Oils were in free supply all day,
net losses of 1 to 3 points being
established by the Pan-American
issues, California Petroleum,
Phillips Petroleum, Pure Oil, Sin-
clair and Standard Oil of New
Jersey, preferred.

Active United States govern-
ment bonds held fairly steady th-
rough the day closing only slightly
lower than Saturday's final figures.
The tax exempt 3 1/2s and the third
liberty 4 1/2s each advanced 2-32
of a point.

TRADING IN BUTTER QUIET

CHICAGO, June 18.—Trading
in the butter market here today
was very quiet and buyers had no
difficulty in supplying their needs.
For this reason the market was
not strong. Still dealers while
not selling were not inclined to
offer concessions as there were
few who anticipated material de-
clines. Trading generally was
very close to the below quoted
prices. The car market was steady
to firm. Buyers needs while not
large were apparently sufficient
to prevent burdensome accumu-
lations.

K. C.'S ENJOY GOOD BANQUET PROGRAM

Initiate Fifty Candidates and Hold Banquet at Which 250 are Present—Attorney P. J. Murphy Gives Interesting Address.

A real celebration was enjoyed Sunday by the Jacksonville Council #868, Knights of Columbus, in the initiation of about fifty candidates into the order. The work was conferred during the afternoon at the old K. C. hall. The degree teams were in fine training and put on the work excellent shape.

At 10 o'clock in the morning the Knights and candidates attended high mass at the Church of Our Saviour. In the evening following the initiation, a banquet was served to nearly 250 members of the order and guests by the Catholic Ladies Aid. This affair was held at Liberty Hall.

During the banquet program, the principal speaker was attorney Patrick J. Murphy of Virden, former States Attorney of Macoupin county. Mr. Murphy is a fluent speaker and his address was given high praise by those who heard him. Another speaker on the program was Rev. Father Smith of Franklin. J. W. Merrigan acted as toastmaster.

Among the numbers on the musical program were violin selections by Miss Dorothy Graef.

STRANGE INCIDENTS SHADOW TRAGIC DEATH

Jury Finds C. F. Hart Was Accidentally Killed in Attempt to Flee from City After Fight with Unidentified Man Over Mystery Woman

The circumstances surrounding the death of Charles F. Hart, who was cut to pieces and instantly killed about 5:40 o'clock Sunday morning by a Chicago & Alton southbound extra freight, formed the subject of an interesting inquest at the Reynolds chapel yesterday afternoon. Stories were told of a mystery woman named "Grace," with whom Hart had been associated during the last few hours of his life. It appears that there was a fight in which Hart struck an unknown man from Springfield over the head with a poker, and that Hart, in fear that he had killed his opponent, attempted to leave town by jumping aboard the moving freight. He lost his footing and fell under the wheels, coming to an untimely end. This last was the finding of the coroner's jury which heard the case in an examination of witnesses lasting nearly two hours.

The principal witnesses at the inquest were Mr. and Mrs. James A. Crum. Mrs. Crum is a sister of the victim of the accident. About 5:30 o'clock Saturday evening, witnesses said, Hart went to the Crum home at 234 West North street, where he borrowed a dollar of his sister. He asked J. A. Crum if his gun was at home.

About 11:30 o'clock Hart returned to the Crum home and it was evident to witnesses that he had been drinking. He used the telephone and called some one whom he addressed as "Grace." Witnesses judged by the conversation that he was endeavoring to make a date with the woman. He informed Mr. Crum that she was from Springfield, and that he had purchased liquor from her. On one of his visits to the Crum residence, he gave his sister a ring, telling her to keep it, that he wanted her to have it, and that he "was done forever."

Returns to Crum Home

About 1:30 o'clock Sunday morning, Hart returned for the third time to the home of J. A. Crum. He told the family not to turn on the light, as he was afraid of being seen. He said he had been at the home of the woman called "Grace," and that her sweetheart, a man from Springfield, was there. A fight started, and Hart said he knocked the man down with his fist. The other got up and drew a knife, Hart said. Hart then seized a poker and laid out his rival with a blow over the head. Hart seemed frightened and was afraid he would be arrested. He again called up the mysterious woman in the case, and told her that she would have to go his bond. He never at any time revealed the identity of the woman, and local police have been unable to find any trace of her.

The last time Hart was seen alive, as far as is known, was early Sunday morning about daylight. He was in his room at the home of his father, James Hart, 502 Hooker street. His father arose early to see whether the son had returned home. He saw Hart in his room, changing his clothes and shoes, putting off his best suit and donning his old work clothes.

About 5:30 o'clock Sunday morning the elder Hart got up for the day. After seeing his son in his room, he had returned to his bed and gone to sleep. Upon rising, he went out to feed his stock and heard the freight train which was just starting to leave town, stop with a crash. He later learned that the body of his son had been discovered lying in the middle of the track.

Conductor Sees Body

Hart met his death at a point about eleven rails lengths north of the street crossing immediately north of the Washburn tower. Conductor D. L. Harris of Roundhouse, who was in charge of Extra 858, southbound, testified that he saw the body lying on the track, as he stood on the rear platform of the retreating train. Harris produced a bottle containing what is thought to be white mule, which he found near where the body fell into contact with the train. The body was dragged about four rail lengths from its original position. The bottle was about half full of liquor. Engineer J. B. Press, who was piloting the freight, said that when the conductor stopped the train his engine was south and west of the Burlington depot.

Upon the evidence submitted, the jury found that Hart came to his death thru attempting to board or step upon a moving Chicago & Alton freight, that he missed his hold and fell, coming in contact with the wheels, which caused his death. The jury exonerated the train crew from all blame in the matter. The jury consisted of Judge M. T. Layman, foreman; James W. Finch, C. W. Cully; J. S. Sheppard, H. G. Cully, and P. G. Stein, clerk.

Hart was about 35 years old. He is survived by his parents, Mr. and Mrs. James Hart, a wife and four children. Funeral services were held Monday morning.

DR. RAMMELKAMP TO HEAD CONFERENCE

Will Preside at Synodical Meeting in Interest of Christian Education Held at Monmouth. Other Local Churchmen Leave For Big Gathering—Noted Speakers On.

Rev. W. H. Marbach, Rev. Thomas W. Smith and P. V. Coover are among the local Presbyterians who left Monday morning for Monmouth, where they are attending a conference of the Presbyterian Synod of Illinois. The sessions opened Monday afternoon and will continue until Thursday evening. The chief matter of business will be the consideration of a campaign to raise \$3,000,000 for the Presbyterian educational institutions of Illinois. This evening President Charles H. Rammelkamp of Illinois college will preside at a meeting in the interest of Christian education in Illinois at which the presidents of four other Presbyterian colleges in the state will be speakers. They are: President William H. Hudson of Blackburn, Louis E. Holden of Millikin, Herbert W. Moore of Lincoln and A. E. Turner of Lake Forest.

About one thousand ministers and laymen from all over the state are present at the conference. The buildings and grounds of Monmouth college are being used to accommodate the convention, and many recreational features are on the program, which is also full of many inspirational numbers. Dr. John Timothy Stone of Chicago opened the synod with an address yesterday afternoon.

Last night the delegates were addressed by Dr. Robert E. Speer and Miss Margaret Hodge, secretary of the Presbyterian Woman's board of Foreign Missions. Other speakers on the program are: Dr. Cellan B. McAfee, Dr. W. S. Marquis, secretary of the home mission board; Dr. Edgar P. Hill, secretary of the Board of Education, who will be one of the speakers at the meeting tonight, over which President Rammelkamp presides. One of the principal speakers on the program is Henry A. Wallace, United States Secretary of Agriculture, who will address the conference on Thursday evening.

Rev. J. W. McDonald of Decatur and Dr. Henry Seymour Brown of Chicago have been the leading spirits in organizing the conference.

M. L. MACKAY AWARDED DEGREE IN BOSTON

Martin L. Mackay of Jacksonville, was honored by the Degree of Bachelor of Sacred Theology at the annual commencement of Boston University which was held in Symphony Hall on Monday morning, June 18th.

Degrees were conferred upon more than 900 students, the largest graduating class in the history of the university. This is an increase of 37 per cent over last year's class of 656. This large number was due to the fact that Boston University now has over 10,000 students enrolled, exclusive of extra-mural courses. Bishop Charles Lewis Slatery, Bishop Coadjutor of the Protestant Episcopal Diocese of Massachusetts, delivered the commencement address before the faculties, students, and 2,000 guests.

Of these 900 students, two-thirds come from Massachusetts. Thirty-four other states are represented and 12 foreign countries, including Mexico, Canada, Newfoundland, Porto Rico, Philippine Islands, Java, China, Siam, New Zealand, Portugal, and Norway. The largest number of foreign students come from China and Japan.

Of this year's graduates 135 are planning to enter the ministry, religious education, or some form of social service. A number will hold professorships of religious education in colleges throughout the country. It is an interesting sidelight on the increasing demands of the mission field for a thorough preparation that 93 of these are students who were already college graduates, taking advanced work.

LOCAL WOMEN WIN PRIZES
Mrs. Josephine Walsh and Mrs. Ora H. Gibson each won a five dollar prize in the Chicago movie contest. There were 70,000 sets of puzzle pictures sent in, about 1,200 winning prizes. Those who just couldn't make out the pictures will be relieved to know that the set of the \$1,000 prize winner was not perfect.

MOST WHOLESOME TREATMENT.

"To preserve children, take one large grassy field, one-half dozen children, two or three small dogs, a pinch of brook and some pebbles. Mix the children and dogs well together and put them in the field, stirring constantly. Pour the brook over the pebbles; sprinkle the field with flowers; and spread over all a deep blue sky and bake in the hot sun. When brown remove and set away to cool in a bathtub." — Michigan Health Bulletin.

TOO MANY HOG PENS FOR THESE HOT DAYS

Council Is Interested in Map Furnished by Health Department—Rule Adopted with Reference Injured Employees

A map and report presented at the city council session last night showed that 105 people within the city limits of Jacksonville keep 444 pigs. If the average citizen had been asked to guess how many pigs there are in Jacksonville the guess hazarded would probably not have been more than about 25 per cent of the actual number.

This report and some other matters of business were presented at a brief session of the city council, held Monday night. Alderman T. A. Chapin was elected mayor pro tem in the absence of Mayor Crabtree.

Roll call by City Clerk Scott showed the following present: Aldermen Blesse, Chumley, McGinnis, Sorrells, Rowe, Fairbank and Chapin. An ordinance was passed providing for a side walk on the east side of North Prairie street from Independence avenue to Walnut street.

A resolution was adopted providing that when an employee in any department shall have first aid given in accordance with the needs that afterward the case shall come under the supervision of the city health officer and he alone shall authorize any expenditures for care in connection with the case.

A complaint was received from Lester Dewitt with reference to the filling of a certain ditch on South Manvaister street and that matter was referred to the proper committee.

The council was very much interested in seeing a map and reading a report from the health department as presented by Special Health Officer Edward Lonergan, showing the number of hog pens in the city of Jacksonville. This canvass was made because of the many complaints of ill-smelling pens.

The hog pen statistics are:
First ward—33 pens, 96 hogs.
Second ward—22 pens, 67 hogs.
Third ward—29 pens, 133 hogs.
Fourth ward—21 pens, 148 hogs.

Totals hogs in the city limits, 444.

This matter was referred back to the health department for suggestion. It is quite probable that an ordinance will be introduced which will limit both the number of pens and the hogs and fix the area in which they may be kept.
